## FOOD

### **North Food Ltd**

North Food Ltd is a dynamically growing company operating in Great Britain. The company manages the North Fish restaurants which offer first-rate fish and seafood dishes. North Food is owned by Michał Sołowow, one of the largest Polish investors.

The company has been on the Polish market since 2002, successfully developing fast food restaurants as well as restaurants with waiter service. North Food is expanding its operation to Europe, and now offers its fresh, healthy and high-quality products to the residents of Great Britain.
